A magnificent French 19th century Louis XV st. giltwood mirror. The original mirror plate is framed within a most decorative scallop shaped border with lovely etched floral designs. At the base is an impressive seashell reserve centered by charming richly carved swaging floral garlands and scrolled elements. Additional elegant floral garlands lead up each side to striking scrolled elements with beautiful finely detailed maidens. The pierced top crown displays a richly carved central mask of a maiden flanked by a decorative architectural pediment below luxuriant swaging floral garlands. All original gilt throughout.
