A sensational and grand scaled French mid 19th century Louis XV st. Ormolu and Baccarat crystal chandelier. The thirty light chandelier with a striking crystal central fut is surrounded by six central supporting scrolled arms which split at the bottom into three arms. Flanking the supporting arms are six single arms. The three levels of lights are joined by swaging garlands of faceted crystal beads in various sizes. Each arm is elegantly decorated by most impressive and thick crystals of various shapes and cuts. Each saucer below the candle cups are decorated by elongated cut crystals simulating raindrops amidst the larger water drop shaped crystals throughout the chandelier. The arms lead up to cut crystal daggers all below a fanciful top crown with hanging crystals. Exceptional quality with wonderful proportions.
