A most exquisite and very high quality French 19th century Louis XV st. kingwood, tulipwood, ormolu and leather desk. The desk is raised by elegant slender cabriole legs with fine fitted wrap around foliate ormolu sabots and richly chased pierced foliate corner mounts in a rich satin and burnished finish. The scalloped shaped frieze displays three drawers, each decorated by beautiful finely inlaid designs and centered by detailed foliate ormolu keyhole escutcheons. The sides also display striking inlaid designs while the back displays three faux drawers repeating the front design. Above is the original gold tooled fitted leather writing surface framed within a kingwood border and scalloped shaped mottled wrap around ormolu gallery. All original gilt throughout.
