An impressive and large scale French mid 19th century Louis XV st. Tulipwood, Kingwood, Ormolu and Rouge Royale marble chest. This stunning chest is raised by cabriole legs with exceptional wrap around Ormolu sabots below impressive acanthus leaves and chutes leading up each leg. Above are the two sans traverse (without crossbar) drawers displaying a detailed Tulipwood and Kingwood marquetry of floral branches across both drawers.

The front marquetry is richly decorated by finely chased foliate scrolled Ormolu mounts and wonderful scrolled handles. The sides and front frieze have an elegant scalloped shape decorated by an Ormolu filet. The sides have quarter veneered panels framed by a handsome Ormolu band with additional foliate branches. Above lays the original and thick Rouge Royale marble top with a mottled edge.
