An elegant and finely detailed French Turn of the Century Empire st. Ormolu and Crystal centerpiece. The stunning cut Crystal bowl is raised on four straight legs displaying clawed feet and leading to open winged swans with curved necks. Each leg is joined by a fine circular stretcher decorated with palmette designs. The bowl is supported by a lovely band in a rich satin and burnished finish and showcasing a wonderful diamond pattern. The Crystal bowl above displays wonderful lattice cuts while tapering upward and outward to a fine Ormolu rim.
