A most attractive French turn of the century Louis XVI st. patinated bronze, ormolu and white Carrara marble Guéridon side table. The table is raised by its original ormolu casters below hoof feet. Each elegant and lightly curved leg is connected by a lovely pierced stretcher with concave sides and an ormolu urn with the eternal flame. The central tier retains its original fitted white Carrara marble insert within a fine fluted wrap around ormolu band. Above is the original white Carrara marble top fitted within a mottled ormolu gallery with richly chased satyrs above each leg.
