A most impressive and monumentally scaled French 19th century Louis XVI st. Ormolu, Porcelain, and Onyx vase. This eye catching vase is raised on a high quality pierced Ormolu socle displaying scrolling acanthus leaves, dentil bands, and a mottled edge while being supported on a lovely circular Onyx base accented by four scrolling foliate Ormolu mounts around the edge. The extremely decorative Porcelain body tapers upwards and displays wonderfully patterned designs of scrolling foliate and colorful palmettes. To each side of the Porcelain body are pierced Ormolu handles displaying scrolling acanthus leaves. The circular pierced Ormolu top showcases a Coeur-de-Rai band along with woven designs above.
