A stunning and high quality French turn of the century, circa 1930, verdigris wrought iron and gilt iron center table. The impressive large scale table is raised on two pierced 'S' and 'C' scrolled pedestals with gilt accent bands and balls which are joined by a central scrolled designed stretcher. At the pierced frieze is a verdigris scrolled design with gilt iron bands. The original and thick Vert Antique marble top lays above. Wonderful design and proportions.
