A very handsome French mid 19th century Empire st. mahogany, ormolu and Vert de Patricia marble center table, circa 1850. The table is raised by three legs with rectangular supports. Each leg is adorned with charming feet, striking pierced foliate movements, palmettes and richly chased ormolu caryatids. The frieze displays three additional finely detailed ormolu rosettes flanked by palmettes in a rich satin and burnished. Above is the original Vert de Patricia marble top fitted within a mottled ormolu gallery. All original patina gilt.
