An impressive and most elegant true pair of French mid 19th century Louis XVI st. ormolu, patinated bronze, Vert Antique marble candelabras. Each candelabra is raised by an octagonal shaped Vert Antique marble base with a lovely and most decorative circular stepped design. At the center are charming and richly chased patinated bronze winged cherubs facing each other. Each cherub is draped in an elegant flowing fabric and supports the striking candelabras above. Each of the finely scrolled arms are adorned with large richly chased acanthus leaves with floral candle cups and center one additional central candle cup above. All original gilt throughout.
