A spectacular and large scaled pair of early 19th century French Louis XVI st. ormolu and Lapis Lazuli four arm candelabras. The pair with all original gilt are raised by a triangular base with floral garlands and a central medallion of the sun king. Above are three hooves decorated by acanthus leaves which lead to a three sided draped design with lapis inserts. The three 'C' scrolled twisted arms are decorated by more garlands all below the saucer and lapis candlecups. At the top is a central candlecup. Top quality and design.
