---

A striking pair of French 19th century Neo-Classical st. patinated bronze statues of Bacchus and Mercury. Each wonderfully executed statue is raised on a square base decorated with unique Blue Tourmaline gemstones on the front and Brocatelle d'Espagne marble on each side. Above stands Bacchus and Mercury, both depicted in classical appearance, leaning against exceptionally detailed tree trunks. Mercury gazes over toward Bacchus appearing deep in thought, while Bacchus holds a grape cluster in one hand and his thyrsus in the other. Wonderful subject matter and rich warm patina throughout.
