A most impressive and high quality pair of French mid 19th century Neo-Classical st. patinated bronze, ormolu and black Belgian marble five arm candelabras lamps. Each lamp is raised by a triangular patinated bronze and ormolu stepped base with elegant scrolled foliate designs. The black Belgian marble central supports display lightly tapered shapes and lead up to the beautiful arms. Each of the scrolled arms displays impressive foliate designs and floral candle cups. Above the striking central futs, which are decorated with finely detailed seashell reserves and smooth cabochon designs, are exceptional eternal flames. All original gilt throughout.
