A pair of large scale decorative French mid 19th century ormolu lamps. Each is raised on tope feet below the circular support with beaded borders, centered by chasings of cherubs with flames of prosperity. At each side are rectangular blocks with rose blossoms within beaded borders. Above is a charming cherub on a base decorated with acanthus leaves and rosettes. Each cherub holds the fut in the shape of a lovely fluted cornucopia with bunches of grapes and vine leaves. With all original gilt.
