A handsome pair of Dutch 19th century patinated Bronze chandeliers. Each wonderful sixteen light sixteen arm chandelier is centered by a large scaled sphere with a topie shaped finial and ring below. Above the finial is the lower tier which supports the eight broad 'S' scrolled arms with their flat delicate candle cups. Leading up the mottled central fut is the central tier which is decorated in a similar fashion but in a smaller scale with their 'S' scrolled arms and delicate candle cups. The upper tier is tastefully decorated by pierced scrolling movements and floral pendants. Above the upper tier is the circular top crown which is decorated by a thick pierced patinated Bronze band with an scalloped top rim.
