A beautiful his and hers pair of French 18th century Louis XV period patinated and Grand Design Saint-Anne marble wall mounted consoles. Each elegant console is raised by a small charming faux painted marble bottom tier with a mottled border. The lovely S scrolled cabriole legs are supported by finely carved foliate feet. The legs are joined together by a striking central stretcher of an urn draped in a swaging laurel garland. Each pierced frieze is centered by fine tied bows with richly carved swaging laurel garlands tied at two carved hoops. Above is the original Grand Design Saint-Anne marble top with a fine mottled border. All original patina throughout.

*'His and Hers' signifies that they are not perfectly identical leaving those to choose their favorite.
