A stunning and large scale pair of French 18th century Régence period giltwood mirrors. The original mirror plate is framed within an elegant beaded border and a mottled band. At the bottom is a charming seashell cabochon deign centered by foliate movements. Striking and sensationally detailed floral carvings extend up each side with sunflowers, grape clusters, leaves and blooming flowers. The top crown displays a wonderful floral basket below a Fleur de Lys with love birds at each side, all set on a most elegant lattice background.
