An elegant pair of French 19th century Belle Époque period Neo-Classical st. ormolu and green marble urns. The urns are raised on circular mottled bases with bottom ormolu plates all below the tapered socle shaped support with a lovely foliate ormolu mount. The necks are flanked by two elegant S scrolled swan shaped handles above an egg and dart ormolu band. The neck is also finely decorated by a pierced palmette mount below the top ormolu rim.
