A beautiful true pair of French 19th century Chinoiserie st. Terra Cotta and Vert de Patricia marble statues. Each statue is raised by a rectangular Vert de Patricia marble base with a fine mottled border. The Terra Cotta statues above depict a beautiful maiden to the left seated on a rock dressed in wonderfully executed draped attire while playing the mandolin. To the right is a handsome gentleman with a mustache sitting on a tree trunk and dressed in finely detailed period attire while also playing an instrument. All original rich patina throughout.
