A superb pair of French 19th century Louis XV st. Belle Époque period candlestick lamps. Each lamp is raised by a beautiful circular base with wonderfully executed scrolled foliate designs and intricately detailed blooming flowers, seashells, a bee, and a charming dragonfly all set on a most decorative hammered background and in a striking satin and burnished finish. The baluster shaped central support displays a lightly spiraled design with additional seashells and remarkable foliate designs leading to the foliate candle cup with a fluted foliate rim.
