An elegant and most decorative pair of French 19th century Louis XV st. giltwood benches. Each bench is raised by beautiful cabriole legs with lovely scrolled feet and delicately carved fillets that extend up each leg and along the lightly scalloped frieze. The frieze is centered by a charming smooth cabochon reserve flanked by fine foliate movements with additional richly carved foliate movements at the corners above each leg. Remarkable scrolled upholstered arms lead up each side also decorated with beautiful scrolled elements and fine decorative fillets.
