A stunning and very high quality pair of French 19th century Louis XV st. ormolu and crystal presentoirs. Each presentoir is raised by a beautiful stepped circular base with a finely detailed wrap around foliate and beaded band. Each central support displays three luxuriant scrolled foliate elements centering fine foliate finials. Above are two most elegant cut crystal dishes with superb cut crystal patterns centered by the striking richly chased foliate designed central futs that lead up to beautiful scrolled elements and charming top finials.
