A striking and extremely decorative pair of French 19th century Louis XV st. ormolu and porcelain lamps. Each lamp is raised by a beautiful wonderfully executed pierced scrolled foliate ormolu base with lovely finely detailed blooming flowers, berried laurel branches, and exceptional central seashells.

Above the elegantly curved socle shaped pedestal support is a stunning foliate band with charming wrap around leaves. The uniquely shaped porcelain body displays outstanding hand painted gold tooled foliate designs with a mandolin, French horn and flutes amidst musical notes with striking intricately detailed rams heads on each side. Above is a fine wrap around porcelain band of charming cherubs playing and playing musical instruments all below a richly chased grape cluster and grape leaf designed wrap around ormolu band.
