A very decorative pair of French 19th century Louis XV st. Ormolu mirrored sconces. The pair of two arm sconces have pierced oval backplates surrounding the central mirror plate. The frame has a bottom central reserve of a female face while the sides of the frame display pierced foliate scrolls with garlands of flowers. The top has a burnished central cabochon amidst scrolled leaves. At the bottom of the frame are elegant scrolled arms in the shape of delicate acanthus leaves which lead to the circular saucers and electrified candle cups.
