A striking and extremely elegant pair of French 19th century Louis XVI st. Baccarat crystal and ormolu candlestick lamps. Each candlestick is raised by a circular ormolu base with beautiful richly chased scrolled foliate designs set on a hammered background and framed within a Coeur de Rai band. Above the socle shaped supports are the impressive and most decorative cut Baccarat crystal tapered central futs leading up to the lovely candle cups decorated with finely detailed oak leaves and fine palmette borders at the bobechees.
