A charming and very fine pair of French 19th century Louis XVI st. Belle Époque period etched crystal and ormolu vases. Each vase is raised by an elegant mottled wrap around ormolu band with beautiful palmettes on a hammered background and a lovely berried laurel design. The tapered crystal body displays charming intricately detailed etched designs of lovely woven baskets with berried laurel branches tied with ribbons. Above are beautiful richly chased swaging vines adorned with intricately detailed grape leaves and grape clusters also tied with ribbons at a tied fluted wrap around band. The rim displays a unique and most decorative tied twisted rope band.
