A most elegant and very high quality pair of French 19th century Louis XVI st. Belle Époque period kingwood, ormolu and mirrored side tables. Each table is raised by slender tapered legs with delicate foliate ormolu sabots, fine fluted designs with fitted brass fillets and richly chased swaging ormolu floral garlands tied with a charming ribbon. At the straight aprons are single concealed drawers decorated with lovely front recessed panels framed within fine mottled ormolu borders and kingwood bands. The sides and back are decorated in the same manner. Above are the original mirrored tops framed within finely detailed and most decorative pierced foliate wrap around ormolu galleries with beautiful and most unique designs.
