A striking true pair of French 19th century Louis XVI st. Belle Époque period ormolu and rouge Griotte statues. Each statue is raised by a circular rouge Griotte base with a fine bottom ormolu band and a mottled design. The

statues are of beautiful figures draped in finely executed flowing garments and laurel wreaths in their hair. One of the figures is Amphitrite, the wife of Poseidon and goddess of the sea. Amphitrite holds a trident in one hand and a charming seashell in the other. Both wear lovely laurel wreaths in their hair.
