A most elegant pair of French 19th century Louis XVI st. Belle Époque period ormolu and White Carrara marble candelabra lamps. Each four arm lamp is raised by fine ormolu topie shaped feet below the circular white Carrara marble base decorated with a beautiful wrap around foliate band and lovely fluted designs. At the center are three charming and intricately detailed cherubs draped in a flowing fabric garland seemingly holding up the arms above. The three striking scrolled arms each display richly chased superb oak leaves and acorns in a rich satin and burnished finishes with a beautiful array of swaging chains leading to the single central arm decorated in the same manner.
