An exceptional pair of French 19th century Louis XVI st. Belle Époque period ormolu and white Carrara marble candelabra lamps. Each three arm lamp is raised by a square white Carrara marble base with an elegant stepped mottled design and fine topie shaped ormolu feet. Above the spiral fluted socle shaped pedestal supports are the beautifully shaped bodies encased by richly chased maidens at each side with sea serpent bodies and holding hands amidst charming intricately detailed swaging floral garlands in a rich satin and burnished finish. The three arms are seemingly growing out of the bodies and display most decorative scrolled foliate movements amidst blooming flowers leading to lovely floral candle cups.
