A superb pair of French 19th century Louis XVI st. Belle Époque period patinated bronze and ormolu vases. Each vase is raised by a square patinated bronze base with concave corners and a richly chased wrap around ormolu berried laurel band. Above the socle shaped pedestal supports are the patinated bronze bodies encased with beautiful leaves and handsome richly chased satyrs at each side connected by intricately detailed swaging vines with charming leaves and grapes. The elegantly curved necks display lovely wrap around foliate bands and reeded top rims.
