A spectacular and most impressive pair of French 19th century Louis XVI st. Belle Époque period pink granite and ormolu lidded urns. Each urn is raised by a square base below a fine wrap around berried laurel ormolu band and socle shaped pedestal. The elegantly shaped body is encased within exceptional pierced scrolled foliate designs with lovely acanthus leaves, berried Rinceau shaped movements, and exceptional richly chased swaging floral and foliate garlands above with charming blooming flowers tied with ribbons. The rim above displays a fine wrap around foliate ormolu band where the lid fits into with a top intricately detailed foliate finial.
