A stunning pair of French 19th century Louis XVI st. Brèche Verte d'Egypte and ormolu lidded urns. Each urn is raised by a square ormolu base with cut rounded corners and a fine fitted reeded design below a mottled support decorated with a wrap around berried laurel band and lovely twisted ribbon design. The elegantly shaped Brèche Verte d'Egypte marble bodies display richly chased pierced ormolu mounts at each side of handsome lion heads holding swaging berried laurel bands in their mouths and framed within luxuriant laurel wreaths. The pierced rims above display finely detailed Coeur de Rai bands leading up to the striking acorn finials with acanthus leaf designs and a reeded patterns.
