An exceptional pair of French 19th century Louis XVI st. Brèche Violette marble and ormolu lamps. Each lamp is raised by fine ormolu ball feet below a square Brèche Violette marble base. The socle pedestals display elegant tied mottled wrap around ormolu bands while lovely ormolu leaves encase the bodies. At the center are luxuriant foliate movements and rinceau scrolls which lead out to squared handles with fine fluted designs and adorned with acanthus leaves. Above are richly chased berried laurel bands and most decorative fluted spiral designs with detailed fitted foliate chandelles and fine ormolu top caps. Shown with cream colored pleated silk shades.
