A beautiful and most elegant pair of French 19th century Louis XVI st. celadon porcelain and ormolu lamps. Each lamp is raised by a circular ormolu base with block supports and fine fluted designs with a superb wrap around berried laurel and foliate bands at the lightly curved socle shaped pedestal support. The beautifully shaped celadon colored porcelain body displays exceptional and charming scrolled interlocking branches, leaves and blooming flowers above a striking wrap around Greek key band with impressive richly chased ormolu masks of bearded satyrs amidst foliate designs. All original gilt throughout.
