A stunning and extremely high quality pair of French 19th century Louis XVI st. Fluorspar and ormolu lidded urns. Each urn is raised by a square base with concave corners, a bottom ormolu fillet, a lovely fitted pierced ormolu plaque, and an exceptional double mottled border. The ormolu socle shaped pedestal supports display tied foliate bands and spiral fluted designs. The elegantly shaped bodies display striking fitted wrap around ormolu bands with interlocking rosettes and richly chased bearded satyrs with horns at each side. Charming intricately detailed swaging floral garlands are draped from curved swans centering the pierced rims and lids with floral designs and acorn finials.
