A beautiful and most elegant pair of French 19th century Louis XVI st. Gris St. Anne marble and Ormolu lamps. Each stunning lamp is raised on a mottled square marble plate while being supported on Ormolu pawed feet in each corner. Above the marble plate is an Ormolu socle decorated by a Coeur-de-Rai patterned band at the base and a Les Oves pattern above. The tapered and round marble body displays a central Ormolu band with scrolling foliate designs. The top of the body showcases two scrolling pierced Ormolu handles which flank the Ormolu socle in the middle that is decorated with reeded patterns and a beaded center.
