An elegant pair of French 19th century Louis XVI st. white Carrara marble and ormolu lidded cassolettes. Each cassolette is raised by a square white Carrara marble base with a fine bottom ormolu fillet. The ormolu socle shaped pedestal supports display charming acanthus leaf designs above square block supports with concave corners. The white Carrara marble bodies are encased by additional richly chased acanthus leaves and display satyr masks at each side connected by finely detailed swaging berried laurel garlands tied at the center. The elegantly curved necks are decorated with beaded and foliate wrap around bands below the removable lids with top ormolu acorn finials. All original gilt throughout.
