A very high quality and charming true pair of early French 19th century Louis XVI st. Rouge Royale marble and ormolu two arm candelabras. Each candelabrum is raised by a square ormolu base below a circular laurel wreath ormolu border. The marble column is decorated by ormolu mounted bows joined by an ormolu chain with lovely tassels. The mottled ormolu top is embellished with a beaded border. Above each is a playful cherub with two different types of wings standing with one leg raised and both arms spread open, holding a candlestick in each hand. The candlesticks are richly chased with a floral design. All original gilt and wonderful execution throughout.
