An exceptional pair of French 19th century Louis XVI st. ormolu and Baccarat crystal sconces. Each six arm sconce is centered by a superb ormolu backplate with elegant foliate designs from where the arms branch out. The elegantly curved arms spread over three tiers and are each adorned with a striking array of swaging cut crystal garlands, kite shaped crystal pendants, and large finely detailed acanthus leaves leading to remarkable cut Baccarat crystal bobeches and lovely foliate and beaded candle cups.
