A stunning and most impressive pair of French 19th century Louis XVI st. ormolu and Baccarat crystal sconces. Each six arm sconce is centered by an exceptional and most decorative array of cut Baccarat crystal pendants amidst beautiful swaging crystal garlands. The backplates display exceptional richly chased tied berried foliate designs with striking central rosettes from where the arms branch out. The arms spread over the three most decorative tiers and display elegantly curved designs centering a straight arm each adorned with beautiful acanthus leaves leading to beaded foliate bobeches and charming candle cups.
