A stunning and most handsome pair of French 19th century Louis XVI st. Ormolu and Breccia Verde marble lamps. Each lamp is raised on a square Ormolu plinth displaying a Coeur-de-Rai band below a smooth Ormolu pedestal. Placed above the mottled and stepped top capital is a foliate decorated Ormolu socle which supports the base of the urn above. The Ormolu base of the urn is detailed with foliate decorations and scrolled handles accented with the mask. This beautifully designed base is fitted around the tapered Breccia Verde marble body of the lamp. Above is a mottled and stepped Ormolu top cap displaying a Coeur-de-Rai band along the edge.
