A striking and most elegant pair of French 19th century Louis XVI st. Ormolu and patinated Bronze candlestick lamps. Each lamp is raised on a remarkable circular Ormolu base with three scrolled acanthus leaf feet connected by a laurel band at the bottom and swaging floral garlands above. A handsome patinated Bronze pedestal supports the Ormolu socle, which is accented with concave fluted designs leading up to a foliate Ormolu reserve. The elegant tapered patinated Bronze central fut is supporting the Ormolu foliate bobeche and spiral fluted candle cup above.
