A beautiful pair of French 19th century Louis XVI st. ormolu and patinated bronze lamps, signed Clodion. Each lamp is raised by a fine ormolu base with a wonderfully executed ground like design. The left bronze is of a beautiful woman draped in classical attire, with an ormolu wine vessel at her feet and a tambourine at her hip. The right bronze is of a handsome man also draped in classical attire, with a charming pan flute at his feet and a tambourine at his hip. Each wonderfully executed bronze is holding up a sensational ormolu cornucopia in a stunning satin and burnished finish, with abundant richly chased berries and foliate movements.
