An elegant pair of French 19th century Louis XVI st. Ormolu and white Carrara marble candlestick lamps. Each stunning lamp is raised by fine topie shaped Ormolu supports below a square white Carrara marble base with a decorative beaded edge. The plinth is supported by a square plate with Coeur-de-Rai edges and a circular berried laurel band. The charming winged putti is standing proudly next to the white Carrara marble column decorated by a spiral Ormolu berried foliate garland. At the top of the column is the capital which is decorated by a scrolled foliate spray with a flat top. The flat top surface supports an urn shaped candle cup with additional foliate designs and a beaded rim.
