A striking and extremely elegant pair of French 20th century Louis XVI st. ormolu and white Carrara marble gueridon side tables. Each gueridon is raised by handsome paw feet below lightly curved ormolu supports. Each support is connected by a bottom triangular ormolu stretcher with concave sides and an elegant richly chased central urn. At the center is a white Carrara marble display tier with a fine wrap around gallery. Above each support are lovely scrolled designs which center the original white Carrara marble top fitted within a superb wrap around ormolu gallery with a fine chased textured design. All original gilt throughout.
