A beautiful and high quality pair of French 19th century Louis XVI st. ormolu and white Carrara marble lamps. Each three arm candelabra lamp is raised by a circular white Carrara marble base with elegant topie shaped ormolu feet with a fine wrap around berried laurel band. The ormolu socle shaped pedestal displays a beautiful wrap around acanthus leaf band below the exceptional and most decorative pierced tapered central fut. The central fut displays striking hoof feet and three elegantly scrolled arms adorned with richly chased swaging berried laurel garlands, laurel leaves, and beautiful acanthus leaves leading to lovely fluted candle cups centering the eternal flame finial.
