A most elegant pair of French 19th century Louis XVI st. ormolu and white Carrara marble urns. Each urn is raised by a square base with a fine bottom ormolu fillet and a wrap around beaded band. Below the socle pedestals are fine berried laurel bands. The white Carrara marble bodies are encased within beautiful foliate and berried ormolu mounts in a rich satin and burnished finish. To each side are charming richly chased cherubs that hold striking finely detailed swaging floral garlands that are tied by a bow at the center. Above is a superb foliate band and a lovely floral top finial. All original gilt throughout.
