An elegant pair of French 19th century Louis XVI st. ormolu candelabra lamps. Each four arm lamp is raised by a circular base with a finely mottled wrap around band, striking interlocking geometric designs, lovely scrolled foliate movements, swaging berried laurel garlands, and fluted designs in a rich satin and burnished finish. The exceptional tapered fluted central support is adorned with richly chased acanthus leaves leading up to the beautiful central arm with charming finely detailed blooming flowers, floral bobeches, and fluted berried laurel candle cups. The three outer arms each display an elegant lightly curved design with superb Rinceaux and spiral fluted movements leading to floral bobeches and fluted berried laurel candle cups.
