A most elegant pair of French 19th century Louis XVI st. ormolu candelabra lamps. Each five arm lamp is raised by a circular mottled base with a fine beaded and richly chased berried laurel wrap around bands. The socle shaped pedestal supports displays a beautiful fluted design in a rich satin and burnished finish. The tapered central support displays a striking spiral fluted design with fletching of a quiver below the single top arm. Each arm displays a beautiful lightly curved design with Rinceau scrolls and branches out from handsome finely detailed rams heads and adorned with large acanthus leaves leading to reeded bobeches.
